

DRIVER LICENSE SECURITY INITIATIVES TO BE IMPLEMENTED AT DMV OFFICES

Effective June 22, 2009 a number of driver license security initiatives will be implemented at DMV offices statewide. **These changes will affect you in the following ways:**

DRIVER LICENSES AND STATE ID CARDS TO BE MAILED

- Upon completion of the examination process and payment of the fee, the County Treasurer will issue you a 30-day receipt, with driving privileges if appropriate. Your driver license or State ID Card will be mailed to you within 5-7 business days.

ISSUANCE CERTIFICATE EXPIRATION

- Once you have completed the examination process, you will be provided an Issuance Certificate to be presented to the County Treasurer. All Issuance Certificates issued on or prior to June 19, 2009, will expire at close of business on June 19, 2009.
- If you have been issued an Issuance Certificate on or prior to June 19, 2009, it is important for you to get the driver license or State ID Card issued no later than June 19, 2009, if you are eligible to do so. If not, you will be required to return to the driver licensing office to have your photo taken and to obtain a new Issuance Certificate.

SOME DRIVER LICENSING OFFICES CLOSED JUNE 22-23, 2009

- The following driver licensing offices will be **OPEN** for business on June 22-23, 2009: Omaha (Douglas), Papillion (Sarpy), Lincoln (Lancaster), Grand Island (Hall), Hastings (Adams), Kearney (Buffalo), Lexington (Dawson), North Platte (Lincoln) and Gering (Scotts Bluff).

PLAN AHEAD WHEN VISITING THE DMV

- Remember – a driver license or State ID Card will no longer be issued at the County Treasurer Offices – it will be mailed to you within 5-7 business days once you have completed the examination process and paid the appropriate fee.
- If renewing, take full advantage of your 90-day renewal period and bring your renewal notice with you to the driver licensing office.
- Keep your name and address current on your license and/or State ID Card.
- Bring the required proof of U.S. identification, social security number and principal address documents with you to any driver licensing office.
- If you are required to take written and/or drive tests – be prepared to do so.
- Know which days and times the driver licensing office you will be going to are open.
- Avoid peak busy times at the driver licensing offices: 1) after 3:00 p.m., 2) when schools are not in session, and 3) the day before and after a holiday.
- Bring the appropriate fee with you – check with your local County Treasurer's Office for information regarding acceptable forms of payment.
